This fulfills the CYPN 0-21 mandate by... • Directly serving / Impacting other ages/groups, etc:

Questions for CYPN members to place in the boxes below for discussion

- *Example: How do we access user input more effectively? What can we do with project results? What partners are we missing?*

CYPN Foundational Framework - Human Centred Design Approach	
Family Voice Driven by client wants & needs	**Equity & Access** Identify gaps, barriers & unmet needs
Data & Knowledge Mobilization Gather & mobilize data (stories and #s)	**Partnerships & Innovation** Apply skills for creativity and collaboration

To be the best 'community planning table' for C-K's children and youth, we commit to building our collective work on these 4 foundational elements through a Human Centred Design approach. "Nothing for us, without us, is about us."
