

Municipality of Chatham-Kent

Wallaceburg Transfer Station Operating Procedures

Operating Procedures for Rural Residents

- Each rural household is allowed one-half cubic metre of household waste (equal to eight garbage bags not larger than 30" x 36").
- A charge of \$2.00 per bag or a minimum of \$25 per ½ cubic metre applies when in excess of the limit.
- Large household items are accepted but are included in the ½ cubic metre limit.
- Residential recycling is accepted free of charge.

Operating Procedures for Rural and Urban Residents

- Excess bagged household/kitchen waste is \$2/bag.
- Minimum charge of \$25 for anything less than 230kg. A rate of \$111/tonne will be applied to all excess waste, including building materials/construction waste. The operator on site is responsible for determining the exact fee to be charged and may refuse any or all construction/renovation waste.
- Each homeowner is limited to a maximum of ten non-commercial residential tires free of charge.
- Each farm with a residence is also limited to four rimless tractor tires free of charge. The operator is not authorized to take excess tires or other tires.
- Refrigerant units (fridges, air conditioners, freezers, etc.) containing Freon are accepted free of charge provided they are tagged by a licensed ODP cardholder, and the proof of refrigerant removal (tag) is left with the operator. There is a \$20 fee for untagged refrigerant units.
- Scrap metal (steel, tin, stoves, dishwashers, washer/dryers, etc.) is accepted free of charge.
- Empty propane cylinders (20-30 lbs. only) are accepted free of charge.
- Used oil – first 20 litres are free of charge. A charge of \$.10/litre will apply in excess of 20 litres.
- Used antifreeze – limit of 20 litres.
- Used oil filters and empty oil/antifreeze/lubricant containers are accepted free of charge.
- Electronic waste is accepted free of charge.
- Vehicle batteries are accepted free of charge.
- Leaf and yard waste.

Not Accepted

- Fill of any kind, ashes/burnable materials, sod, hazardous waste, dead livestock, ashes, railroad ties, rubble such as broken concrete, cement blocks, bricks, stones, non-emptied propane cylinders, car parts, old cars, engine blocks, sharps/needles, paint, pesticides or chemicals of any kind.
- Recycling from municipal curbside residents, contractors, and industrial, commercial, or institutional properties, including farms without a residence.
