

## **Notice of Complete Application and Public Meeting to Consider an Application for Zoning By-law Amendment**

**Take Notice** that the Municipality of Chatham-Kent has received a complete application for Zoning By-law Amendment (**File D-14 HA/33/24/W**) under Section 34 of the Planning Act, R.S.O.1990, c.P.13, as amended, concerning property located at 10989 River Line, in Part of Lot 19, Concession 1, River Thames Survey, described as Part 4, Plan 24R-8862, in the Community of Harwich.

**And Take Further Notice** that an application under the above file number will be heard by Municipal Council on the date and at the time shown below:

Date: **Monday, February 24, 2025**  
Time: **6:00 p.m.**  
Location: **Chatham-Kent Civic Centre, Council Chambers**  
Address: **315 King Street West, Chatham ON**

**Purpose and Effect** The subject property is located on the north side of River Line, east of Mull Road, in the Community of Harwich (Roll No. 3650 140 003 14900). The lands are approximately 1.25 ha (3.1 ac.) in area and contain a single detached dwelling and one (1) accessory building. The lands are designated Estate Residential Area in the Chatham-Kent Official Plan and zoned Estate Residential-1115 (ER-1115) and Open Space-1114 (OS1-1114).

The current zoning over the subject property was implemented to protect the woodlot along the Thames River from development. Specifically, the OS1-1114 zone, which encompasses the area containing the woodlot and a 50 m (164 ft.) buffer from this feature, does not permit development. The Zoning By-law Amendment application is intended to provide flexibility in the development potential of this parcel while continuing to apply an appropriate development setback from the woodlot, which is 30 m (98.4 ft.).

### *Zoning By-law Amendment*

The Zoning By-law Amendment application proposes to amend the zoning over the subject lands to allow for an addition to the existing dwelling. The addition would otherwise encroach onto lands currently zoned OS1-1114, where no development is permitted. The application is specifically to:

- Apply the OS1-1114 zone only over the portion of the subject lands containing the woodlot; and,
- Rezone the balance of the lands to the site-specific Estate Residential Zone (ER-1741) zone, which will permit a single detached dwelling as-of-right and apply a 30 m (98.4 ft.) development setback from any OS1 zone. The potential for development within the 30 m (98.4 ft.) development setback will be through the requirement of an Environmental Site Screening and/or Environmental Impact Statement that demonstrates no negative impacts to the natural heritage feature.
